

Faculty Activities

PUBLICATIONS IN NATIONAL CONFERENCE

2015

- 1 A.Annamahesh and P.Saritha, "Synthesis and Characterization of graphene nano particles", Seminar on "Recent trends in Nanotechnology" 23rd March 2015.
- 2 A.Annamahesh and A.Bharathi, "Fabrication and Analysis of Natural Fiber Reinforced Composite Material for Construction", National Seminar on advanced Construction techniques and geotechnical Engineering. Feb. 25-26, 2015.

2014

- 3 A.Annamahesh P.Saritha and Cynthia Sheba J, "Synthesis of Graphene Oxide and its strengthening properties on portland cement", National conference on modern construction materials and technologies. Nov. 6-7, 2014.

SEMINARS ORGANIZED

1	National Seminar on Designing against Fatigue	24.03.15	Dr.D.S.Ramachandramurthy Vice Chancellor St.Peter's University
---	--	-----------------	---

SPECIAL LECTURES ORGANIZED

1	Guest Lecture on Spectrophysics as an investigative tool in material Characterization	18.09.14	Dr.S.Gunashakeran R&D Dean St.Peter's University
---	--	-----------------	---
