

About the University

St.Peter's University is a Deemed-to-be University established in 2008 under Section 3 of the UGC Act, 1956. It was earlier functioning as St. Peter's Engineering College which was established in the year 1992 and affiliated to Anna University, Chennai, with all the eligible programmes accredited by NBA and approved by AICTE, New Delhi. St. Peter's University is now poised with greater thrust for high quality education and innovative programmes leading to research and development. The University is located in a calm and serene environment at Avadi and easily accessible by train and road. The vision of the University is to impart value oriented technical educations and to inculcate a sense of discipline and humanitarian culture to mould the youth for future.

About NCRTCCT-2017

The revolution of computing and communication technologies plays a vital role in the socio-economic development of any nation. The proposed one day National Conference organized by the Department of CSE and IT provides a forum for the researchers to share and discuss their research findings on various aspects of computing such as information processing, security and communication technologies.

Topics of Interest

The technical sessions of the conference will focus on discussing the original contributory papers discussing developments, design, testing and experimental analysis aspects. The topics of interest are wide and not limited to:

- High Performance Networks
- Network Security
- Distributed Computing
- Cloud Computing
- Mobile Computing
- Digital Image Processing
- Bio informatics
- Artificial Intelligence
- Genetic Algorithm and Optimization
- Logic and Distributed Systems
- Neural and Fuzzy systems
- Robotics and Automation Systems
- Data Mining
- Database Technologies
- Green Computing
- Parallel Computing
- Natural Language Processing
- Visualization Technologies
