9TH MAY 2018

Focus of the Conference

National Conference on Recent Advances in Chemical Sciences (NCRACS 2018) aims to bring scientists, researchers, scholars and students to discuss and share their experiences and research results in all aspects of chemical sciences.

About the University

St. Peter's Institute of Higher Education and Research (SPIHER) is a Deemed to be University established in 2008 under Section 3 of the UGC Act, 1956. It was earlier functioning as St. Peter's Engineering College which was established in the year 1993 and affiliated to Anna University, Chennai, with all the eligible programmes accredited by NBA, AICTE, New Delhi. St. Peter's Institute of Higher Education and Research is now poised with greater thrust for high quality education and innovative programmes leading to research and development. The SPIHER is located in a calm and serene environment at Avadi, Chennai and easily accessible by train and road. The vision of the institution is to impart value oriented science and technical education and to include a sense of discipline and humanitarian culture to mould the youth for future. The University offers undergraduate and postgraduate programs in engineering, technology, management studies and architecture, besides, B.Sc, B.A., B.Com, M.Sc, M.A, M.Com, MCA, M.Phil. and Ph.D. programs.

Highlights

The Conference focuses on the recent developments in chemical sciences using advanced techniques. This Conference provides a common platform for young budding scientists and young researchers to showcase their research findings and to motivate them towards high quality research programmes.
